OF THE READERS...BY THE READERS...AND FOR THE READERS.

REPORTER

HEDGEHOG

The hedgehog, common to England, Europe and Asia, is an animal with prickly horns all over its body with a little fur in between the horns. Its diet is composed of all sorts of insects, small rodents and occasionally snakes. Hedgehogs can swim and climb. Hedgehogs are most active at dusk. They also have keen hearing and a sharp sense of smell, but their eyesight is really bad.

When frightened, it rolls up into a ball and its spines, which are hard and sharp, stick out in every direction—the perfect defense against predators!

FRIENDS

Friends are important. Activities are often more fun with a group. Probably everyone has at one time or another been without a friend. That's no fun. If you have one good, best friend, consider yourself lucky. If she understands you and helps with your problems, you've got it made!

ARCHIE FANS! Every month, **ARCHIE CLUB MEMBERS** have their reports printed in my comics wherever the **ARCHIE CLUB NEWS** appears. Editor's NOTEBOOK

Dear Archie Readers,
Well, here we go again...the start of another New Year. Have you

made any New Year's resolutions?...Like, "I'm not going to argue with my brother (or sister). I'll just count to ten, bring him his favorite snack and crush it before his bulging eyeballs." All kidding aside, guys, if you would like to share some of your New Year's resolutions with us, I'll be happy to print them in my column. That is, providing you've kept them.

Anyway, here's something to think about for starting the New Year off right. If you live in or are visiting the New York City area, on JANUARY 22, 23 & 24 there will be a Great Eastern Comic Convention at the JACOB JAVITS CONVENTION CENTER, Eleventh Avenue at West 34th Street. It promises to be the largest

comic convention ever in New York. There will be artists, writers and editors representing almost every major comic publisher. If you're a comic or trading card collector, this is definitely the place to be. Dealers from all over the United States and Canada will be there. Even some from overseas. If you can't find what you're looking for here, it may not exist. Yours truly will be there, along with many of your favorite Archie artists. Stop by and let us know that you read about the convention in my Editor's Notebook. If you did, you'll receive a FREE PRIZE.

I've been receiving many letters about which Archie character ought to have a sister or brother. It's not too late to voice your opinion. So far, the character who's gotten the most votes is.....nah, I'll tell you next month. Just keep sending those cards and letters to: **Victor Gorelick, Editor**
